Tanauan Batangas City, Phil.

I have studied video editing for 4 years, I have learned a lot in my previous job, trainings, and as a freelancer in other companies. I have had many valuable experiences ranging from video editing software, techniques, creating animation and many more. Adept at collaborating with clients to bring their creative visions to life.

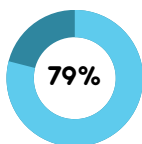

WORK EXPERIENCE

- I have extensive experience in Video Editing mainly due to the time i spent working for the prestigious company Vivid Smile. as a seasoned editor, I bring a wealth of experience in utilizing the Adobe After Effects application my proficiency extends the full spectrum of features and capabilities.
- Collaborated with various clients to understand their video editing needs and vision.
- Edited and assembled raw footage into cohesive and engaging video content.
- Incorporated visual effects, motion graphics, and audio enhancements to enhance video quality.
- I am a Skilled Graphic Designer at Vivid Smile, dedicated to crafting visually captivating and effective designs that resonate with target audiences and a deep understanding of design principles, I excel in conceptualizing and executing creative solutions that meet the unique needs of our Clients.
